

## SENIOR AUDITOR

Audit Conseil Services S.à (“ACSe”) is a human-sized audit firm offering a range of services related to the certification of financial information. Being human-sized does not simply mean ACSe is smaller than other well-known audit firms; it’s a commitment to placing people at the heart of our concerns and decision-making.

We are looking for motivated candidates to join and expand our team.

### **Your mission:**

You will receive training and collaborate closely with your manager and team:

- You will manage a diverse portfolio of national and international audit clients across the commercial and financial sectors.
- You will develop a strong understanding of complex accounting and auditing principles, enabling you to conduct audit engagements in compliance with auditing and quality standards in a self-sufficient way.
- You will supervise and organize the work of junior auditors, mentoring them to strengthen their skills.
- You will build strong client relationships and proactively work to meet their expectations.
- You will use your expertise to drive value for the company and the projects we're executing in the frame of our rapid growth.

### **Your profile:**

- You hold a Master's or Bachelor's degree in Economics or similar field.
- You have an experience of 2-3 years in the audit industry;
- You are fluent in French and English; additional languages are considered an asset.
- You are self-motivated, proactive, and possess a positive attitude with a strong willingness to learn.
- You are a team player with excellent verbal and written communication skills.

### **We offer you:**

- An unlimited-duration employment contract.
- The opportunity to grow within a dynamic and diversified working environment.
- Access to continuous internal and external training programs.
- A harmonious working environment in modern, spacious premises that are easily accessible by car (with parking facilities) or public transportation.
- A minimum of 27 days of vacation and meal vouchers.
- Additional benefits with an attractive salary.
